

# Royal City, WA Strategic Planning

## March 2009

### Sustainability, Water Planning & Affordable Housing

- 1 day session
- **Key Issues Identified:** economic development, housing, downtown revitalization, and traffic circulation and safety
- **Overarching Implementation Strategies – primary steps:** identified strategic priorities and accountable parties, formed an action committee, and pursue funding opportunities
- Categorize actions into high, medium and lower priority with dates and accountable parties identified for many high priorities.
