

2019 SRTC EDUCATION SERIES

Innovative Land Use & Transportation Approaches

Andrew Mortensen Associate, David Evans and Associates, Inc (DEA)

Location

Spokane Regional Transportation Council
421 W Riverside Ave, Suite 504 (Paulsen Bldg, 5th floor)

June 5, 2019 | 8:30AM–11:30AM

Andrew has led multi-disciplinary teams in developing more than 50 multi-modal transportation plans. With over 35 years' experience, he applies innovative approaches to problem solving, focusing on the development and implementation of Complete Streets design guidelines to better facilitate travel. He co-developed the via-city program and software, a specialized GIS tool in the measurement of first and last mile, pedestrian-transit connectivity.

What is TSMO? Enhancing Transportation Performance through Communication

Jim Peters Principal and National Director for Transportation Technology, DKS & Associates (lunch speaker)

Lisa Burgess and **Les Jacobsen** Kimley Horn (presenters)

Location TBD

July 10, 2019 | 11:30AM–1:00PM lunch speaker/overview, 1:00PM–5:00PM planning/engineering modules 1–4

July 11, 2019 | 8:00AM–4:30PM technical modules 8–4

1.5 day workshop for Spokane-area transportation agencies and other stakeholders. It will cover a range of transportation system management and operations (TSMO) topics relevant to the region, with a goal of generating increased collaboration among stakeholders.

Grant Writing Boot Camp

Dr. Bev Browning

Location TBD

September 26, 2019 | 8:00AM–5:00PM

Availability limited; restrictions and fees may apply

Dr. Browning has been consulting in the areas of grant writing, contract bid responses and organizational development for nearly four decades. She is the author of 41 grants-related publications, including "Grant Writing for Dummies." She holds degrees in Organizational Development, Public Administration, and Business Administration. Dr. Browning has assisted clients and workshop participants throughout the United States in receiving awards of more than \$430 million.
